THE REPORT OF THE SECRETARY The report of the secretary of war is less interesting, though scarcely less important, than that of the secretary of the treasury.

Mr. Cameron is a shrewd and unprincipled man, a rackless and desperate political gambles, a notoriously corrupt and profigate submitted, present the estimates of the probability but important diliterate, narrow his amount of appropriately but important diliterate, narrow his amount of appropriately and profigate submitted, present the estimates of the probability but important diliterate, narrow his amount of appropriately and profigate submitted, present the estimates of the probability but important diliterate, narrow his amount of appropriately and profigate submitted submitted and profigate submitted s

wronged, and despitefully used them, and memoral the sovereignity of their States and threatened their liberties, and which they have repudiated in a public and formal manner, the estimate for the war for the fishal year just closed, the proposition to reorganize and permanently increase the regular army, and the expression of the determination of the Admininfration "in subdue the rebellion," i. s. to

the whole people. in the volunteer service, both for three months' directed unceasingly, to the best of my limited tived for defeating them by a speedy reckonservice and for the war, have in many instances, not yet furnished the department with the manufacture of their rectionals. For the results and the results and the results are the results are the results and the results are th ces, now yet firming the department with the dissolutive conflected with the dissolution of the dissolutive conflected with th accepted and in the field as could be desired.

12th alt., it is due to him that I should mention against each other. If this consistion cannot the fact that I have at no time had, and have be effected, it will become the duty of this July System were called once to duty of this July States were called upon to detach from the miliffa under their command a certain quota, to serve as infantry or riffemen, for the period of three munits, unless sooner discharged.

The call so made a constal is discharged.

The call so made a constal is discharged.

round numbers, twelve organized regiments, State.

tion of being ready to be mustered into the serwice within a specified time, the limitation of which has, in some inslances, not expired. I is not possible to state how many of these may he ready before the meeting of congress. Of the regiments accepted, all are infantry and riflemen, with the exception of two battalions of artillery and four regiments of cavalry. A momber of regiments mustered as infantry have, however, attached to them one or more artidlery companies, and there are also some partly made up of companies of eavairy. Of the 268 regiments accepted for three years, there are now 153 in active serwice; and the remaining 55 are mostly ready, and all of them will be in the field within the ment twenty days.

TOTAL NUMBER NOW IN THE FIELD. The total force now in the field may be comnuted as follows: Regulars and refenteers for three morths, and Add table firly five remeats of voun-teers for the war, accepted and not yet in

230,000 officers and men. It will be for Con-gress to determine whether this may still, at ires a new election for governor, I carnesity the toward suppressing the mob of inforiated

called this great army in a being, have rendered necessary, also, a very considerable augmentation of the regular arm of the service. The demoralization of the regular army, enused by the tressonable conduct of many of its commanding officers, the distant posts at stationed, and the unexampled rapidity of the appead of the rebellion, convinced those high in command in the service, as well as this department, that an increase of the regular army ingly brought to your attention, and, after careful examination, an incresse was author zed by your proclamation issued on the 4th

The ipercase consists of one regiment of cavalry, of twelve companies, numbering, 1 the maximum sugregate, 1189 officers and mer one regiment of actillary of twelve batterles, of six purces rach, numbering, in the maximum negregate, 1900 officers and men; nine regiments of infantry, each regiment containing three battalions of eight companies each, numbering in the maximum aggregate, 2455 officers and men-making a maximum in crosse of infantry of 22,068 officers and men-In the enlistment of men to fit the additional regiments of our regular army, I would recommend that the term of enlishment be made three bears, to correspond with the call of May 4th,
for volunteers; and that to all who shall recelve an honorable discharge at the close of
their term of service, a bounty of one hundred

TO THE PEOPLE OF MISSOURI. Believing that our tree interests demanded open, immediate and vigorous war upon the other parts of the report reflect neither credit nor honor on the heart or head of the secretary, who cannot divest himself of the prejudices of the nertizan, and is incapable of aspling to the dignity of statesmanship.

We arrange under appropriate heads the material parts of the report, and submit them to the people without comment, as apeaking for themselves:

disced my temporary absence from our State.

Believing that our tree interests demanded open, immediate and vigorous war upon the authors and abstors, from Mr. Lincoln down, of the rebellion against our State severeignly on the 10th of May last, and confident, from the judgment of competent military men, that Missent was then better prepared to resist, and confident, from the judgment of competent military men, that Missent was then better prepared to resist, and confident, from the judgment of competent military men, that Missent was then better prepared to resist, and confident, from the judgment of competent military men, that Missent was then better prepared to resist, and confident, from the judgment of competent military men, that Missent was then better prepared to resist, and Louis Napoleon, willing to make a sepace of England, promises, for his own of the recognize the republic of our southern States.

Now, what are we to do? We have an army of three hundred thousand men in the field for the purpuse of suppressing the southern rebellion. We have put corraculturen resonant under a rigid blockade, from Norfolk to the motives should be announced which have into the people without comment, as speaking for themselves:

DESTRUCTION OF PUBLIC PROPERTY AFFLAUDED

In this connection, it is a pleasurable duty arrangement with that view was about at Washington, we are assured from day to In this countetion, it is a pleasurable duty arrangement with that view was about to refer to the very gallant action of Lieut. to be made, and entertaining the firm to be made, will listen to no compromise until this resource and successful manner in which he exemines that, as a truce would be energetical of the Union are ready and impatient for accuted the orders of the government at that im- 'ly used by our enemies to completing their of the Union are ready and impatient for accompleting their arrangements to war on us, no time should be tion, and there is no more time to be lost. Mr.

The determination of the government to use its minual newer to subdue the rebellion has been must since by the unqualified approval of the whole people.

Lincoln must now proceed to fight or prepare for a compromise. "England and France" may be waiting only for a pretext upon which its minual newer to subdue the rebellion has been must afined by the unqualified approval of the whole people.

Lincoln must now proceed to fight or prepare for a compromise. "England and France" may be waiting only for a pretext upon when they begin to fall short in the article of raw third day thereafter, I was fortunate in meeting the people. ing Gen. McCullisch immediately on his arri- collen, we may expect to hear from them. For The communding officers of the regiments Tennessee and Virginia, my efforts have been pean complications, we think the time has ar-

The call so made amounted in the aggregate to sinely four regiments, making 73,391 officers and men. Of the States called upon, the governors of Virginia, North Carolins, Tennessee, Arkanean, Kentucky and Missouri persuptionity returned to comply with the requirements and by the department. All the other States promptly furnished the number a gourner of house experience through the site against our foes.

Rest assured of the profound sympathy with Confederacy and a wasting war of indefinite duration, from their hope of an ultimate deliverance through the intervention of France regard our condition; though engaged in a wasting war of indefinite duration, from their hope of an ultimate deliverance through the intervention of France and England.
